CONSIDERATIONS TO KEEP IN MIND

General Registration Conditions:

- The conference and workshop schedules are subject to change without prior notice.
- Paid activity spots are personal and non-transferable.
- Full payment for event registration, whether virtual or in-person, is required. Partial payments will not secure a spot.
- The registration fee paid during the event dates (August 28-30, 2025) will increase compared to the pre-sale price. These updated rates will be published on the official event website, www.congresoscare.com.co.
- The registration costs will be published on the official event website, www.congresoscare.com.co.
- Early payment discounts for in-person registration will be available, with discounted fees published on the official website.
- Certification requirements: National or international undergraduate and postgraduate students, and recent anesthesiology graduates, must submit a certification of their student status, no older than 30 days, in order to qualify for the corresponding discounted rate.
- During the event, companions and minors will not be allowed to enter. Pets are also not permitted at the venue.

Workshops and Additional On-Site Activities:

- The cost of registering for workshops and other activities is not included in the congress registration fee. These additional activity costs will be published on the official event website: www.congresoscare.com.co.
- Courses and workshops will only take place if the minimum number of participants is reached. If the minimum is not met, the workshop will be canceled, and 100% of the payment will be refunded.
- Participants must arrive at least 30 minutes before the scheduled start time for registration, payment, and material distribution (if applicable).
- Each paid registration guarantees a spot in the selected activity, with no option to change the registration.
- No refunds or transfers to other courses or workshops will be made in the case of a participant's absence during the scheduled academic activity.
